

## Make@TreeCasa: Artist Residency

Make your mark and art high in the canopies of wildly beautiful Nicaragua by becoming TreeCasa's Artist Resident!

TreeCasa provides a vibrant space of encounter and exchange. The entire 10-acre landscape provides an open canvas for artists; all the while getting the freedom to roam, explore and immerse in the unique culture that is Nicaragua.

During your stay you'll be surrounded by a community of working artists and innovators in different fields. You'll have the natural environment to inspire you, a stunning bungalow to lay your head, and an entire exotic country as your playground.

## What You'll Do

As a TreeCasa Artist Resident, you are invited to inhabit this space and pursue create unique body of work that inspires and engages a global community. The Artist Residency experience includes:

- 1-3 month stay, private room with communal spaces
- 3 meals a day, organic garden goodies, restaurant and bar discount
- Access to all Treecasa amenities: yoga, pools, tree lounges, trails
- Daily shuttle to and from SJDS city center to explore local culture
- Time and space to produce art series and leave a piece to mark your experience
- Artwork featured in a dedicated space and with a gallery exhibition event
- Artist profile and journey promoted through multimedia platforms

## Your TreeCasa Experience

Your time at TreeCasa can be what you make it. We recommend a mix of inspiration, play and relaxation.

- Wake up early for sunrise yoga; finish in time for a mid-morning massage
- Soak in the sun on our private beach; light a bonfire and watch the sunset
- Catch up on some reading by one of the pools, then dive off the waterfall or slide
- Hit the jungle trails through our El Encanto property for horseback riding, biking or hiking
- Encounter a tribe of Howler monkeys in the trees or a fleet of exotic butterflies
- Dance to a multicultural DJ on a 3-story tree platform while sipping a tropical cocktail
- Watch baby turtles hatch on the beach and help release them into the ocean
- Trek through cloud forests to meet some dormant and active volcanoes (19 in total)
- Learn to surf up and down the Emerald Coast; discover majestic beaches
- Take a peaceful sunset paddleboard excursion or sail the coast on a catamaran
- Connect with interesting individuals from across the globe and the local community
- Indulge in Nicaraguan culture through art, food and biodiverse landscape
